class of 11

Welcome to

Canton High School

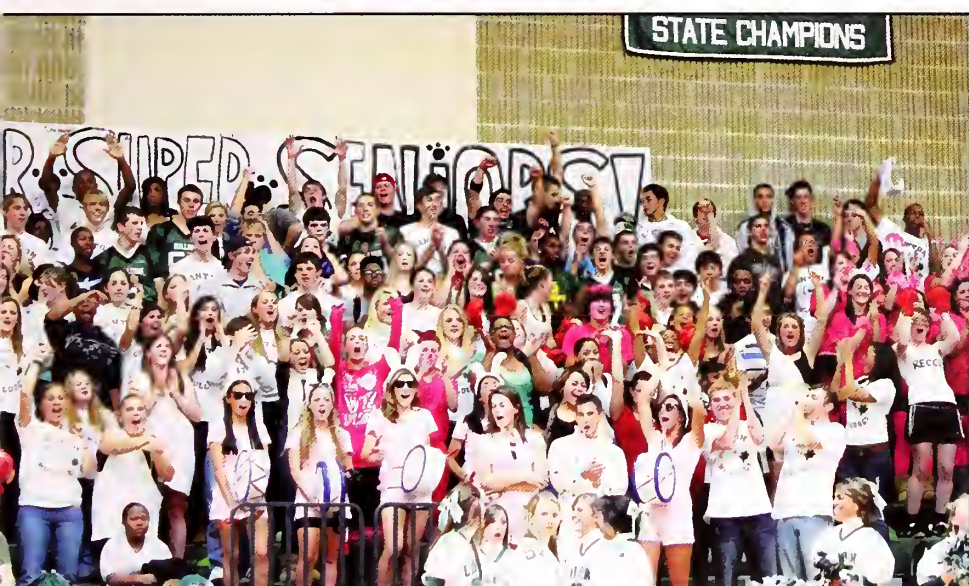

This year, CHS introduced a new freshman orientation program called the Boomerang Project. One of the Boomerang Project's main goals was to ease the transition for incoming ninth graders. The program also provided amazing leadership opportunities for the eleventh and twelfth grade students. The program was designed to deepen the students' sense of community at CHS and create a positive first experience for the incoming freshmen.

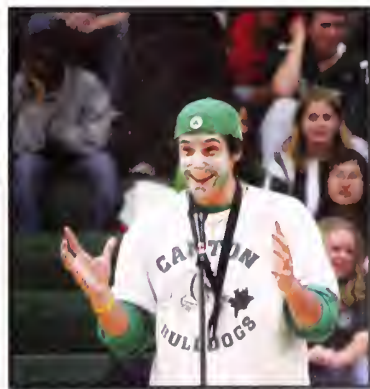

(L-R) Josh Sheehan, Senior Class President, and Kevin Connolly, Senior Class Vice President.

2011 DEDICATION

MR. KEVIN DONAHUE

SOCIAL STUDIES

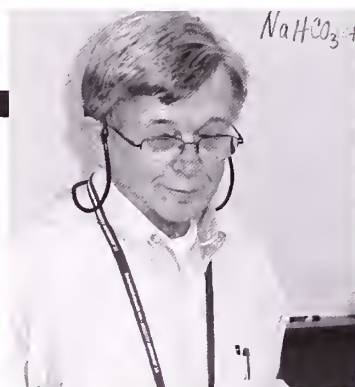

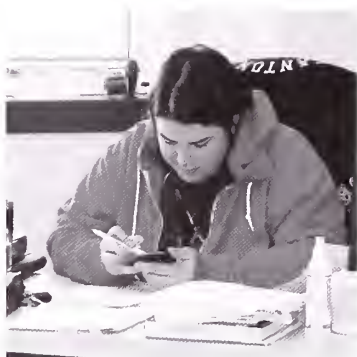

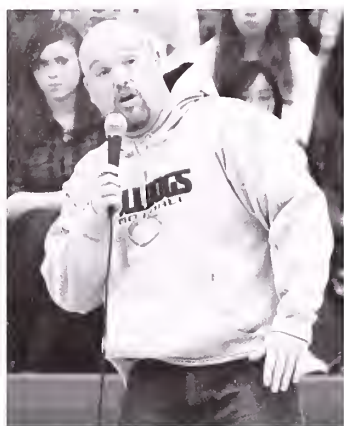

Mr. Donahue is a really wonderful history teacher. He has helped students have a positive outlook in all that they do. He is kind and caring and is always there to assist students. He shows a sincere interest in others' lives, both in and out of his classroom.

As the chess club adviser, he brings laughter and smiles all the time. He has such a positive influence on every student he meets, and has truly made a difference in his students' lives.

We wish him many more years filled with bright days and big smiles!

The swim team has grown to 48 member from 34 last year. Our record is just under the 500 mark which has almost doubled since 3 years ago. Senior Chris LeDonne qualified for Sectionals and States for his third year in a row. Along with Chris our other 5 seniors assisted the team in their wins. Evan Leibovitz was a strong competitor in the 100 yd backstroke and 100 Freestyle, Olivia Kenyon amazed us with her stamina in the 500 Freestyle and 100 yd. butterfly, Natacha El Massih was a consistent scorer in the 100 yd breaststroke, Julie Carney was a great role model as a student, swimmer and friend. Her consistent contributions in various relays and events helped strengthen our team, Kim Loughnane led our team with a positive attitude and always a point person to fill any freestyle relay event. We wish them luck in the future and will miss their leadership and friendship.

The softball team with a new coach and many new players started the season slowly (1-11) but then finished with 4 wins in the last 6 games. With almost half the team having no varsity experience and 7 of the starting 9 playing in new positions, they came to practice everyday, worked hard and improved with every game. The late season wins enabled them to make the tournament. The highlight win of the year was the dramatic 3-2 comeback win in the last inning over Foxboro. Trailing 2-1 going into the last inning and needing the win to make the tournament the Bulldogs scored 2 runs to earn the 3-2 win. The team will miss the 4 seniors Olivia Kenyon, Colleen Myers, Erin Russell, and Devan McKay who each represented themselves and the program with dedication and pride.

Canton girls' lacrosse was able to raise a championship banner to the rafters of Canton High school gym. The team won the first Davenport girls lacrosse championship. This team graduated 11 seniors, but this year's team was able to fill the void and succeed. Canton had only one loss in the Davenport Division against Oliver Ames, by only one goal. The success of the season was due to the girls able to play as a team. There was no super star that could carry the team, just 18 girls with a will to win. Five of the six meets were very close but lack of depth prevented us from winning more meets. Jon Vaughn won the 100 meter dash and was seeded in fourth place for the all-state meet. He was the team MVP in running events, leading with 89 points. Chris Boughter was the team MVP of field events and joined Jon in the state meet, competing in the long and high jump. Tom Kerikas placed in the 110 hurdles and 400 hurdles and was voted most improved member of the team. Chris Haidul, a new member to spring track, was the unsung hero of the team. He threw the javelin 125 feet, ran on the 4x400 relay team and competed in the 400 hurdles at the state meet.
